PREFACE

I am an inventory of the school year. Between my covers the spirit of the school is seen as it runs throughout the activities, the clubs, and the athletic contests. Snapshots give interesting side glances ino the school life about you. From my pages friendly faces of the faculty and of classmates greet you. I am the Parrot, the Polytechnic High School annual. If I bring you happy memories now and in the years to come, I shall have fulfilled my purpose.

BASKETBALL

Poly's smooth playing roundballers came through to another district championship after fighting an uphill battle all the way. They were led by all-state Jackie Bell and all-district Bob McCulloch. In the state tournament Poly gave Milby, the new state champs, their hardest fight.

Mr. Harley, the ever popular coach, won his second district championship in three years.

This year's B team also took district championship, indicating that Poly should have a great basketball team for the next few years.
